Churchill Polar Bear Adventure 2024 Itinerary

Oct 15, 2024 - Oct 22, 2024

Join the Women's Travel Club as we venture to the Canadian North on a wildlife Adventure. Frontiers North's Tundra Buggy Lodge is located at Polar Bear Point in the Churchill Wildlife Management Area, home to the largest concentration of polar bears in the Churchill area. The lodge offers a unique, immersive experience where, when conditions are right, you can view the dance of the northern lights from the rooftop observation deck and fall asleep with polar bears right outside your window.

Daily Tundra Buggy® excursions take you beyond the lodge for plenty of photography opportunities. Evenings at the lodge can be just as memorable, with delectable, regional dishes created by your private lodge chef and ample time to swap stories with other guests and enjoy regional cuisine. As a guest at the Tundra Buggy Lodge, you are also invited to enjoy exclusive evening presentations hosted by Polar Bears International species experts and our knowledgeable Interpretive Guides.

October 17 - Day 2

Churchill Adventure Begins

Today we are going to Churchill!! After a very early breakfast with our Interpretive Guide at our hotel, our tour group boards a warm bus for the short ride to the private hangar from where our plane will depart for Churchill. The flight is two and a half hours.

Upon arrival, we head straight out on a Churchill and area tour, which comprises of an exploratory drive past various points of interest in and surrounding Churchill. Our driver will stop briefly at Manitoba Conservation's Polar Bear Holding Facility so we can take some photos. We take a break for lunch and enjoy a warm, home-cooked meal at one of Churchill's family-run restaurants – who knew Churchill had such incredible food?

After lunch we will stop at Churchill's famous Itsanitaq Museum, which is home to an enormous collection of Inuit artifacts and has an incredible little gift shop where visitors can buy local Inuit art and carvings, books and other gifts

In the evening we enjoy a wonderful dinner and a relaxing night in our hotel.

October 18 - Day 3

Dog Sledding and Tundra Buggy Lodge

After breakfast, our first excursion of the day is a dog sledding program with local dog musher Dave Daley of Wapusk Adventures. Dave regales us with his incredible dog sledding stories, introduces us to his dog pack and then takes each of the group on a mile-long dog sled ride through the boreal forest. Next we head over to the Parks Canada Visitor Centre, which has in-depth displays that reveal the remarkable history of Churchill through wildlife dioramas and exhibits that portray the history of the fur trade in the area.

In the late afternoon we board the Frontiers North bus and head out to the Tundra Buggy Dock for our trip out to the Tundra Buggy Lodge in the CWMA. It's our first chance to see the incredible landscape of the North and it is absolutely breathtaking.

As the light begins to fade, we see the Tundra Buggy Lodge in the distance – it's almost as if we're approaching an isolated space station in the middle of nowhere. As we board the Tundra Buggy Lodge the feeling of isolation disappears. The welcoming staff will greet us warmly and we will be treated to an incredible home cooked meal before settling in to our new home on the tundra.

October 19 - Day 4

Tundra Buggy Adventure

After waking up in our comfortable accommodations, we gather for a hearty breakfast before boarding the Tundra Buggy in time for first light. We set out to explore the Churchill Wildlife Management Area (CWMA), in search of polar bears, arctic fox, ptarmigans and other incredible wildlife.

Our amazing Tundra Buggy Driver and Interpretive Guide will teach us about the history and importance of the northern landscape. Midday we enjoy a picnic style lunch packed just for us by the lodge chef.

At the end of the day, we return to the Tundra Buggy Lodge in time for a delicious meal and a chance to relax in the lounge getting to know fellow travellers.
